

## The Kiwanis family is on the verge of making history

Through The Eliminate Project we are bringing hope to the forgotten families living in the poorest and most remote regions of the world. We are changing the course of humanity. A world free of maternal and neonatal tetanus (MNT) will soon be a reality. Your devotion and support mean families around the world will no longer know the pain of losing a mother or newborn to this senseless death.

We set out to achieve a daunting task in 2010. Today, in partnership with the U.S. Fund for UNICEF, our Kiwanis family has raised US\$110 million in cash and pledges to help achieve our goal of eliminating MNT from the face of the earth. Kiwanians will not rest until the last pledge is fulfilled and the final tetanus vaccine is administered.

Kiwanians have united with common purpose to give a gift to the world. We have a spirit of service and generosity that thrives throughout our worldwide membership. By choosing to serve the poorest of the poor, Kiwanis is sending a loud message—that these women and newborns matter and that no one deserves to die when we have it within our power to save them.

From the gratefulness of my heart to the generosity of your heart, thank you for your commitment and support. After all, there are times when something as simple as a mother's touch requires a group effort—a Kiwanis family effort.

# A true Kiwanis-family project

Since the beginning, The Eliminate Project has been a Kiwanis-family effort. From the youngest K-Kid to the oldest Kiwanis member, together we are making a difference in the fight to eliminate maternal and neonatal tetanus. We could not do it without the Service Leadership Programs. They shared happy dollars, danced to eliminate, faced off in penny wars, hosted spirit weeks and much more in order to help protect women and babies from MNT.

In fact, K-Kids, Builders Club, Key Club, Circle K International and Aktion Club members surpassed their initial fundraising goal. These clubs raised more than US\$7.3 million to help ensure no more babies have to suffer from MNT. Their generosity alone will help save or protect more than 4 million women and their future newborns.

This fundraising total includes the generous commitment from Key Club International to raise an additional US\$3 million through Trick-or-Treat for UNICEF during the next five years. Their pledge was the first of its kind for a youth program. Upon completion, Key Club members will have helped protect more than 3 million lives from MNT.

Circle K International raised more than US\$28 per-member, the highest giving average of any Service Leadership Program. Together, the Kiwanis-family is making a difference.

Below are fundraising totals for each program, as of December 31, 2015.

<b>Service Leadership Programs</b>	<b>Total funds raised</b>
Aktion Club	\$141,670.56
K-Kids	\$229,782.74
Builders Club	\$252,789.68
Key Club International	\$6,337,465.49
Circle K International	\$375,996.69
<b>Totals</b>	<b>\$7,337,705.16</b>
